

FAQ's for the Rudesheim 2025 Bailey Owners Rally

We have had a couple of questions that I thought could be useful to share.

1 Bingen Rudesheim Ferry

This is just a turn up and get-on as it's a shuttle service with two ferries. No booking needed, pay on the boat.

2 Ring ticket trip

The trip starts with a Cable Car from the centre of Rudesheim up to near the Niederwald monument

and fantastic views across the Rhine Valley. There is a Cafe/Bar at the top.

Then a level/easy 3Km walk through the park to the Ski Lift down to Assmannshausen. We plan to book, if required, an eight-seater taxi to take people to the Ski Lift from the Cable Car at a small extra cost.

Meet at the Restaurant at the head of the Ski Lift (possible small libation)

In Assmannshausen we will book lunch at a local restaurant.

Before catching the River Cruise back to Rudesheim.

Some people who don't want to use the Cable Car and Ski lift can travel by car and meet us at the various locations.
